VI. The Officers of the Club and the other members of the Council for the first year shall be elected immediately upon the adoption of this Constitution ; those for succeeding years at the Annual Meeting of each year.

When an election is not by acclamation, a single ballot shall decide, the candidate (or in case of members of Council, candidates) having the plurality of votes being elected.

The term of service of the officers and Council shall be one year, and until their successors shall be elected.

VII. This Constitution and the By-laws shall not be amended unless notice of the proposed change be given in writing at a meeting of the Club, and such amendment shall have received the affirmative votes of two thirds of the members present at the following meeting.

4. It shall be the duty of such sections to make a full report of their proceedings at the Annual Meeting of the Club.

5. Such special sections may elect to full membership of their sections individuals who are interested in the work in which they are engaged, but who are not graduates or undergraduates of the University of Toronto.
